

Private equity and the pandemic

Weekly programme

Current Issues

1. Debt finance trends
2. Sponsor led funding considerations
3. Tax housekeeping
4. Directors duties for both management and investor directors
5. Contractual considerations

Future Considerations

1. Preparing for the future – business interruption and planning, real estate portfolio management, front foot due diligence
2. Future of M&A, Part 1 (deal origination and processes, opportunistic M&A)
3. Future of M&A, Part 2 (valuation and pricing mechanisms)
4. Future of debt funding
5. Future of management incentivisation
6. Restructuring considerations (accelerated M&A, redundancy programmes)
