

# Riding the waves of opportunity

## Focused on Mauritius

### How can we help?

Eversheds Sutherland offers legal services of the highest quality from our office in Port Louis, Mauritius.

Our lawyers are equipped with the right knowledge and experience and are great people to work with. By building deep relationships, we can fully understand your organisation and provide advice that delivers the results you want. We have a reputation for innovation, providing solutions that save time and money, reduce risks and create new opportunities.

We have experience in all types of corporate transactions ranging from mergers and acquisitions, reorganisations and fund structures, corporate finance to the establishment of new business ventures. We are particularly focused on collective investment schemes and act for many multinational funds, international banks, private equity houses and management companies as well as some high net worth clients.

#### Our local services include:

- corporate and commercial
- securities and financial services
- banking and finance
- litigation and dispute resolution
- intellectual property
- competition
- employment

As part of a global network of offices, we can provide access to leading lawyers in whichever sector or jurisdiction you operate in, often through a single point of contact.

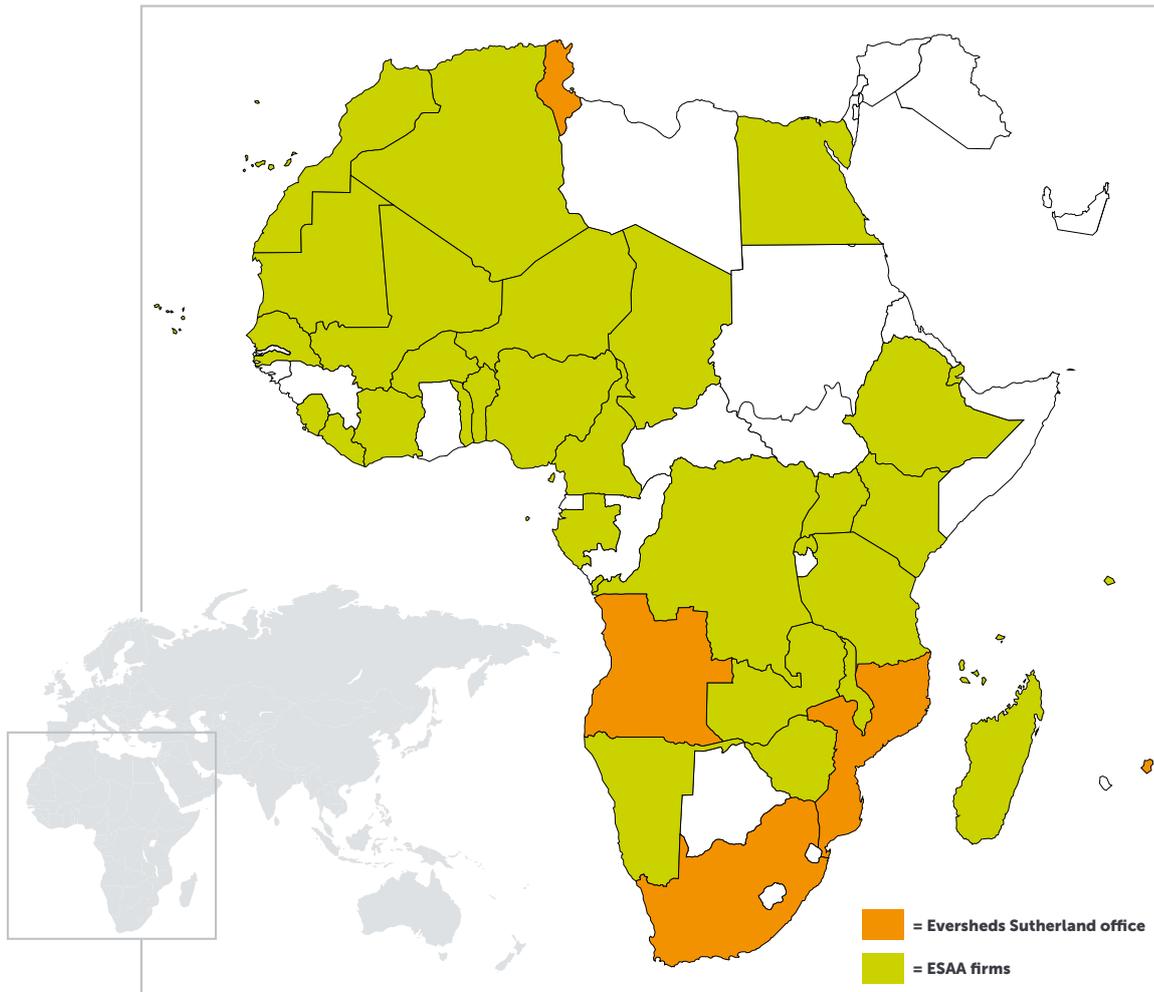

## Why work with us?

- 1. Global reach** – we offer the best of both worlds in terms of lawyers who are committed locally but connected globally. As part of Eversheds Sutherland International, we can offer you access to a global network of lawyers who are vastly experienced in their sector.
- 2. Eversheds Sutherland Africa Alliance** – ESAA is the largest network in Africa with over 30 firms and enables our clients and contacts to keep abreast of legal developments. We also provide unique access to new thinking and training on the African legal and business landscape.  
  
ESAA's strong commercial focus enables us to meet the growing demands of doing business in Africa and serves to bring the skills and drive of African firms to a wider international market.
- 3. Setting standards** – our global operations have grown carefully so that we can offer consistent quality wherever you are. We are measurable in the work we do, predictable in the costs we provide and efficient in the way we deliver results.
- 4. Client-centered** – we will look after your interests as if they are our own. We are relationship lawyers and trusted advisors who take a forward thinking approach to service delivery.
- 5. Transparency** – we are always open with you about your costs and strive to provide cost certainty.
- 6. Bespoke solutions** – all our work is focused on the key legal risks you face and tailored to your needs and style.
