#### How can we help?

Eversheds Sutherland has been advising clients across the African continent for over 30 years. Many of our lawyers have practised in Africa or are of African origin. This experience, coupled with our sector understanding and comprehensive network, makes us perfectly placed to help you establish and grow your business in Africa.

Our strategy is to go further and offer you the advice you need in the country you operate at the high levels of quality you expect. In addition to our growing offices in key African centres, we are linked to experienced law firms across the continent via the Eversheds Sutherland Africa Alliance (ESAA) (formerly known as the Eversheds Africa Law Institute (EALI)), covering over 35 countries.

## Why work with us?

- 1 Anticipating your needs** – as many African countries and businesses continue to experience strong growth, there is a need for legal advice that will connect this ambition to the rest of the world. Those aiming to invest in Africa often face the uncertainties that arise in new markets and rapidly changing economies. With a long and successful history in the region, we can help you achieve your objectives.
- 2 A unique entity** – the Eversheds Sutherland Africa Alliance (ESAA) (formerly known as the Eversheds Africa Law Institute (EALI)) allows member law firms to access training and knowledge sharing programmes while promoting the highest standard of legal service across Africa. ESAA enables our clients and contacts to keep abreast of legal developments and provides unique access to new thinking and training on the African legal and business landscape. Experienced firms in over 35 countries are members of the Eversheds Sutherland Africa Alliance.
- 3 A pan-African reach** – our continent-wide service is delivered through offices across Africa. In South Africa, Eversheds Sutherland are now able to service your needs in Johannesburg and Durban, and Port Louis in Mauritius. In Tunisia, legal firm El Heni operates as Eversheds Sutherland El Heni.
- 4 Leaders in the field** – the Eversheds Sutherland Africa Alliance allows us to represent you across Africa. Our award-winning approach means you will have one point of contact, crucial management information at your fingertips and the ability to adapt quickly to changing circumstances. This approach delivers efficiency, certainty and guaranteed quality legal advice of the highest standard across the continent.
- 5 Incomparable coverage** – on any given day we are acting in Francophone, Anglophone, Portuguese or Spanish speaking jurisdictions. This gives us broad coverage and key resources to enable us to continue to deliver world class international legal services.
