

Riding the waves of opportunity

Focused on Mauritius

How can we help?

We provide personalised services in the ever-growing South African, African and international markets. With extensive experience dealing with multi-national corporations, our aim is to get to know your business. Not only does this assist us in providing a better service but it also lets you know that we are interested in you beyond the four walls of our offices.

Through the relationships we have established and the understanding we have of your business, together with the backing of Eversheds Sutherland and the Eversheds Sutherland Africa Alliance (ESAA), we are able to offer you comprehensive, commercially focused legal services.

Eversheds Sutherland Mauritius is a full-service, multi-disciplinary law practice that can provide you with lawyers in virtually every area of law: corporate and commercial, cross-border transactions, banking and corporate finance, private equity and funds, media, telecommunications and IT, intellectual property, privacy and data protection, private client, employment, litigation and arbitration.

In aggregate, we have ten lawyers in our Mauritius office available to assist you.

Why work with us?

- 1 Global reach** – we offer the best of both worlds in terms of lawyers who are committed locally but connected globally. As part of Eversheds Sutherland International, we can offer you access to a global network of lawyers who are vastly experienced in their sector.
- 2 Eversheds Sutherland Africa Alliance** – ESAA is the largest network in Africa with over 35 firms and enables our clients and contacts to keep abreast of legal developments. We also provide unique access to new thinking and training on the African legal and business landscape.

ESAA's strong commercial focus enables us to meet the growing demands of doing business in Africa and serves to bring the skills and drive of African firms to a wider international market.
- 3 Setting standards** – our global operations have grown carefully so that we can offer consistent quality wherever you are. We are measurable in the work we do, predictable in the costs we provide and efficient in the way we deliver results.
- 4 Client-centered** – we will look after your interests as if they are our own. We are relationship lawyers and trusted advisors who take a forward thinking approach to service delivery.
- 5 Transparency** – we are always open with you about your costs and strive to provide cost certainty.
- 6 Bespoke solutions** – all our work is focused on the key legal risks you face and tailored to your needs and style.
