How can we help?

We provide personalised services in the ever-growing South African, African and international markets.

With over 40 lawyers spread across three offices in Johannesburg and Durban, Eversheds Sutherland South Africa is a full-service, multi-disciplinary law practice. Our experience covers banking and finance, financial services, insolvency, commercial, corporate, competition, Black Economic Empowerment (BEE), energy and environmental, mining and

infrastructure, intellectual property, insurance, IT and privacy, labor, litigation, mediation and arbitration, pensions, property and real estate, tax, company secretarial, trusts and estate planning, administration of deceased estates and criminal law.

We can also connect you globally via our network of 68 worldwide offices and across the continent through the Eversheds Sutherland Africa Alliance (ESAA) (formerly known as the Eversheds Africa Law Institute (EALI)). This unique entity gives you access to leading-edge support across the region.

In total, we have over 40 lawyers in **Johannesburg** and **Durban** that are available to assist you.
