

Keeping your vision on target

Eversheds Sutherland in Austria

How can we help?

Eversheds Sutherland is a global law firm. With offices throughout Africa, Asia, Europe, the Middle East and the United States, we can supply you with seamless legal coverage and help you manage your operations across the world.

With a staff of approximately 30 comprising partners, lawyers, attorneys and supporting staff, we are well established in the Austrian market. We work closely with other Eversheds Sutherland offices to understand our clients' needs across all legislations.

We deliver a personal and specialised service to help our clients successfully negotiate the complex legal aspects of business life. Pure legal advice is not enough. Our clients demand lawyers who are also business-minded and understand the industry sectors in which they operate.

We provide local and international clients with quality advice in all areas of business law. Our local expertise combined with our international reach, has provided invaluable in helping our clients to achieve their goals.

Our main practice areas

- Banking and finance
- Commercial
- Competition
- Corporate/M&A
- Data protection
- Employment law
- Intellectual property
- Litigation and dispute management
- Mergers and acquisitions
- Real estate and construction
- TMT

Who do we work with?

What our clients say?

“The employment team brings a lot of value to our HR topics in the company, not only in providing brilliant legal advice but also with respect to the capability to think outside the box.”

“The firm is smooth and efficient in M&A transactions.”

“Highly flexible and practical solutions. The real estate team is extremely professional, helpful and efficient. It is a great pleasure working with them!”

“The data protection team is well experienced with the capability to bring the right focus to that topic; their advice is brilliant, considering business needs and always on the highest level.”

“I always received a prompt response from the lawyers. They are highly reliable and easy to understand.”
