RUSSIA
Bayer

We are representing interests of Bayer, one of the world's largest pharmaceutical companies in the patent infringement dispute against a Russian generic company. We managed to have unlawful judgments cancelled by the Intellectual Property Court for the second time, thus progressing in the protection of Bayer's intellectual property rights.

LITHUANIA
G4S

Eversheds Saladžius advised G4S in sale of the cash business in Lithuania to the Brink's Company. Support provided by our office included de-merger of the cash business of G4S into a separate entity, licencing of the new entity for cash operations and closing of the transaction by transfer of control over the business to Brink's Company.
