

A towering presence

Eversheds Sutherland in France

How can we help you?

Eversheds Sutherland is one of the largest law brands in the world. Engaged locally, we are connected globally, with 5.000 people and over 2.800 lawyers in 66 offices across the world's main economic centres in Europe, Africa, Asia, USA and the Middle East.

Established since 1984 in the heart of the capital, Eversheds Sutherland France is comprised of more than 130 people, of which 20 are partners and over 70 bilingual lawyers in English, most of them registered at the Paris Bar. Some of our lawyers can also practice in the United States, in Canada, in Italy and in the United Kingdom.

We offer a complete range of services to private and public companies, French or international clients, as well as to financial institutions from a wide variety of sectors including transport, retail, industrial engineering and energy.

Our clients include major international institutions as well as numerous key French companies including family business, investment funds, start-ups and several groups listed in the CAC 40 index.

Our areas of expertise in Paris include:

- Corporate Law, including Mergers and Acquisitions and Private Equity
- Commercial Law, including Competition and Distribution Law
- Intellectual Property Law and New Technologies
- Real Estate Law and Real Estate Financing
- Tax Law
- Banking and Financial Law
- Employment Law and Human Resources
- Business Litigation
- Criminal Law, Risk and Compliance
- Insurance Law
- International Arbitration and Public International Law
- Project Finance and Africa
- Public Business Law and Environmental Law

Why work with us?

1. We combine legal expertise and project management

Our electronic project management tools will help you to reduce your budgets and shorten your timelines. This system enables you to better monitor the progress of your projects.

2. We provide a single point of contact

One contact person advises you on all of your legal issues, no matter the extent, the type of question or the country concerned by the request.

3. Our office is the principal axis of the African network

Our Parisian office is the focal point for our African Group, which works in close partnership with our local offices and correspondents. To date, we have advised clients in more than 50 countries on the African continent.

"A multidisciplinary team with excellent availability."

"A very experienced and helpful team. The lawyers are very creative when finding new arguments and presenting new ideas."

"A very positive experience with a team which has very good resources and is always guaranteed to be available."

"The lawyers are responsive and they've got a good network in Africa, which allows them to get direct access to information without having to go through local councils."

"We really appreciate the team, which is very efficient and skilled. We would be happy to use Eversheds Sutherland again."

Chambers Europe (Paris)

Eversheds Sutherland (France) LLP [...] can run complex litigation seamlessly and has particular expertise in very difficult and high-profile international arbitrations involving states.
