

Spanning the continent

Our experienced Latin America Group

Eversheds Sutherland's Latin America Group brings together the experience, skill-sets and contacts you need to succeed in the region – whatever your business strategy.

Our dedicated team consists of English, Spanish and Portuguese speaking lawyers who can advise you on all aspects of doing business in Latin America, covering both legal and cultural issues through our in-depth knowledge of the area. We also work closely with highly regarded law firms across the region, to ensure you have locally connected advisors on the ground where you need them.

With offices throughout the United States, Europe, the Middle East and Asia, our global project management approach can help you achieve your commercial objectives in Latin America and beyond.

Eversheds Sutherland offers two main Latin America service desks from five different offices:

- United States: Houston, Atlanta and New York
- Europe: Madrid and London

Our Latin America Group has developed particular strength in the following areas:

- hotels and resorts
- timber and agribusiness
- energy and infrastructure
- international arbitration
- compliance

Eversheds Sutherland Latin America Alliance

Eversheds Sutherland has created an innovative platform for sharing best practice and promoting the highest standards of legal service across Latin America. The Eversheds Sutherland Latin America Alliance provides member law firms with access to training, knowledge sharing programs and commercial opportunities on a regional and international basis.

For our clients, it means access to the combined knowledge of 26 firms across 19 countries throughout the region. The Eversheds Sutherland Latin America Alliance can help you keep abreast of legal developments and enables us to continue to deliver world class international legal services wherever you do business.

Market development in Latin America

Eversheds Sutherland is committed to the development of Latin America and works in partnership with key development agencies in the region to facilitate investment. Our team actively hosts regionally focused programs and participates in conferences to gather insight on investment trends in various industries including energy and infrastructure, hospitality, agribusiness and timberlands as well as monitoring regulatory developments involving international arbitration, investment protection and bilateral investment treaties throughout Latin America.
