Propel: our Litigation, Technology  
and Legal Project Management  
team

# Our team

"The Propel team provides our 700 litigation lawyers with all of the tools they need to work efficiently and to deliver great client service. The various products the Propel team has can be accessed by our clients as well our lawyers, allowing us to work collaboratively in a secure digital environment. I am delighted that we are continuing to invest in the latest technology, allowing us to work smarter and more cost effectively for our clients."

**Paul Worth, Co-Head of Global Litigation**
